MIRIAM, OR THE AVENGER: by Mrs. Southworth, is on our table. We noticed this work in a former No. as being in press. It fully maintains the fermer high reputation of its authorship. Mrs. Southworth never tears passion to tatters, but is true to nature, and her stories bear an impress of reality which is rarely found in fictions of the present day. Both of these books are published and for sale by T. B. Peterson, No. 102 Chestnut-st., Philadelphia.
